I need special apples, not yet introduced in my area, for my new dessert menu.

<Proposal>

How about the “Morino-kagayaki,” the very rare apple brand, which is not usually on market.

We want to start to have Cut-Daikon Salad factory.

10,000 meal-kit/Day = 1t/Day
=30t/Month

<Proposal>

How about 10t × 3 times/Month
